061716 Maywood Fire Response Update FINAL.docx

Attached is the final version, approved by Enrique. I'll send a copy to the County as well. It will go out to media around 5pm.

I'll have my cell phone with me in case anyone needs to get in touch.

Thanks everyone!

Soledad, I stopped by and talked to Harry, but I think Rob is the one that will have the answers to your questions. Hopefully you will hear from him.

Subject: DRAFT News Advisory: Fruitland Incident Update- NEEDS REVIEW

Hi all,

Here is the first draft for the news advisory update regarding the Maywood fire response. I don't have much info besides the update#2 that Harry sent yesterday, so I have several questions highlighted in yellow.

Please feel free to give me a call if it is easier to discuss.

Thanks,

Soledad
